C.1(a) Any admitted insurance company which is authorized to do business in this state shall, upon issuing the written notice required in Subsection B of this Section of the termination or cancellation of a non-captive insurance producer’s contract, permit the non-captive insurance producer under the notice to deliver to current policyholders, if the producer’s contract is terminated, subject to the normal underwriting requirements of the insurer.

C.1(b) If the insurer fails to meet the current underwriting requirements of the insurer, the insurer shall provide the policyholder with the statutory notice of nonrenewal.

(2) Any insurer renewing contracts of insurance in accordance with this Section shall pay commissions for the renewals to the terminated or cancelled non-captive insurance producer in the same amount and manner as previously paid to the non-captive insurance producer under the terminated or cancelled contract.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 33:2740.27(K) is hereby amended and reenacted to read as follows:

§2740.27. The Algiers Development District; creation, composition, and powers; levy of ad valorem taxes and issuance of bonds

K(1) The district may enter into contracts with any private entity for the purpose of development within the boundaries of the district. No such private entity shall be considered a public or quasi public entity or a public body as a result of receiving or expending funds of or on behalf of the district.

Such contracts shall be subject to audit by the legislative auditor who may exercise the power and authority granted to him by R.S. 24:315 with respect to such contracts. However, no private entity shall be considered a public or quasi public entity or a public body as a result of entering into a contract with the district or as a result of receiving or expending funds of or on behalf of the district.

(2) No provision of this Subsection shall be construed to apply to any contract entered into by the district with an investor owned utility that is regulated by the Louisiana Public Service Commission or by the governing authority of the city of New Orleans.

§721. Authorization

A. Any parish may by formal resolution of its governing authority establish, maintain, and operate game and fish preserves, upon lands or waterbodies wholly located within its jurisdiction.

B. Two or more parish governing authorities may by separate formal resolutions establish, maintain, and operate game and fish preserves composed of contiguous lands or waterbodies shared by the parishes. All of the parish governing authorities shall adopt formal resolutions in order for the game and fish preserve to become effective.

§722. Game and fish commission; rules and regulations

A. (1)(a) The governing authority of a parish may appoint a commission composed of citizens and taxpayers of the parish, whose term shall be concurrent with that of the governing authority appointing, who serve without compensation, to be known as the _____________ game and fish commission.

(1)(b) A claims adjuster is or was licensed in good standing.

B. For game and fish commissions established by multiple adjoining parishes under the authority of R.S. 56:721, the governing authority of each parish may appoint members, composed of citizens and taxpayers from that parish, to the commission whose term shall be concurrent with that of the governing authority appointing, who serve without compensation, to be known as the _____________ game and fish commission. Each parish shall have an equal number of members on that commission, unless some other composition is adopted by formal resolution approved by all of the parish governing authorities.

(2) The commission may make rules and regulations for the government, regulation, and control of the preserve and for the conservation, protection, and propagation of game and fish in the preserve, provided that such rules and regulations shall be finally approved, adopted, and promulgated by the Louisiana Wildlife and Fisheries Commission.

C. The commissioner of insurance may require any documents reasonably necessary to verify the information contained in the application.

§1669. Exemptions from examination

A. An individual who applies for a claims adjuster license in this state who was previously licensed as a claims adjuster in another state based on a claim adjusting examination shall not be required to complete another examination. This exemption is available only if the person is currently licensed in that state or if the application is received within twelve months of the cancellation of the applicant’s claims adjuster license.

B. No resident of Canada may be licensed pursuant to R.S. 22:1663, or may designate Louisiana as his home state, unless such person has successfully passed the adjuster examination and has complied with all provisions of this Section, except that such applicant shall not be required to comply with Paragraph (A)(4) of this Section.

F. The commissioner of insurance may require any documents reasonably necessary to verify the information contained in the application.

§1671. License

A. Unless denied licensure pursuant to this Part, persons who have met the requirements of this Part shall be issued a claims adjuster license. The license shall contain the licensee’s name, business address, license number, date of issuance, expiration date, and any other information the commissioner of insurance deems necessary. A claims adjuster may receive qualification for a license in one or more of the following lines of authority:
(1) Property and casualty.
(2) Workers' compensation.
(3) Crop.
(4) Any limited line pursuant to R.S. 22:1666.

D. A claims adjuster doing business under any name other than the claims adjuster's legal name is required to notify the commissioner of insurance prior to using the assumed name. The use by any adjuster of a nonapproved trade name shall subject such person to a fine not exceeding two hundred fifty dollars. Additionally, if the claims adjuster continues to use a nonapproved trade name for ten or more days after being notified by the commissioner of insurance to cease using the nonapproved trade name, the claims adjuster shall be subject to an additional fine not to exceed five thousand dollars. If applicable, a claims adjuster shall comply with the provisions of R.S. 51:281 et seq.

E. A licensed claims adjuster shall be subject to R.S. 22:1961 et seq., relative to unfair trade practices, and R.S. 22:1921 et seq., relative to insurance fraud.

F. A claims adjuster whose license has lapsed may, within twelve months from the expiration date of the renewal, reinstate the license upon approval of the commissioner of insurance. However, a penalty in the amount of double the renewal fee shall be required for the reinstatement of the claims adjuster license. Reinstatement shall be effective on the date the commissioner of insurance approves the request for reinstatement. A licensed claims adjuster who allows his license to lapse may, within twenty-four months from the expiration date of the license, reinstate the same license upon proof of full compliance with all continuing requirements through the date of reinstatement and upon payment of all fees due. If the license has been lapsed for more than twenty-four months, the applicant shall fulfill the requirements for issuance of a new license.

G. A licensed claims adjuster who is unable to comply with license renewal procedures due to military service, long-term medical disability, or other extenuating circumstance, may request a waiver of those procedures. The licensed claims adjuster may also request a waiver of any examination requirement, fee, or other sanction imposed for failure to comply with renewal procedures.

H. To assist the commissioner of insurance in his licensing duties, the commissioner of insurance may contract with nongovernmental entities, including the National Association of Insurance Commissioners (NAIC) or any subsidiary or affiliate of the NAIC that the NAIC oversees to perform any ministerial functions, including the collection of fees and data, related to licensing that the commissioner of insurance may deem appropriate.

§1672. License denial, nonrenewal, or revocation

A. The commissioner of insurance may place on probation, suspend, revoke, or refuse to issue, renew, or reinstate a claims adjuster's license or may levy a fine not to exceed five hundred dollars for each violation up to ten thousand dollars aggregate for all violations in a calendar year, unless a fine is established by separate statute in the Title authorizing a greater penalty, or any combination of actions, for any one or more of the following causes:

(1) Providing incorrect, misleading, incomplete, or materially false information in the license or renewal application.

(2) Violating any state or federal law, insurance regulations of the United States, or any other jurisdiction or a subpoena or order of the commissioner of insurance or of another state's insurance commissioner.

(5) Intentionally misrepresenting the terms of an actual or proposed insurance contract binder, rider, plan, or application for insurance, including all forms or documents that are attached, or will be attached, to an actual or proposed insurance contract, binder, rider, plan, or application for insurance.

(6) Forgery of a or nolo contendere plea to any felony, related to participation in a pretrial diversion program pursuant to a felony charge, suspension or deferral of sentence and probation pursuant to Article 893 of the Code of Criminal Procedure or similar law of another state, or conviction of any misdemeanor involving moral turpitude, public corruption, or the adjustment of insurance claims.

(9) Demonstrating incompetence, untrustworthiness, or financial irresponsibility while conducting business.

(10) Denial, suspension, or revocation of an insurance license, or its equivalent in any other state,province, or territory.

(11) Knowingly accepting insurance business from an individual who is not licensed but who is required to be licensed by the commissioner of insurance.

(12) Failure to comply with an administrative or court order imposing a child support obligation.

(13) Failure to pay state income tax or comply with any administrative or court order directing payment of state income tax.

(14) The refusal to submit physical evidence of identity or the conviction of a felony, in accordance with R.S. 22:1922(B) and (C).

(15) Employing or allowing to associate with his business, in any manner, any person engaged in the business of insurance who has been convicted of a felony under the laws of this or any other state, the United States, or any other jurisdiction. As used in this Section, "business of insurance" means the writing of insurance or the reinsuring of risks by an insurance producer or insurer, including all acts necessary or incidental to such writing or reinsuring, and the activities of persons who act as, or are, officers, directors, agents, or employees of producers or insurers, or who are other persons authorized to act on behalf of such persons.

(16) The conviction of a felony involving dishonesty or breach of trust pursuant to 18 U.S.C. 1033 and 1034, without written consent from the commissioner of insurance pursuant to 18 U.S.C. 1033, or any successor statute regulating crimes by or affecting persons engaged in the business of insurance whose activities affect interstate commerce.

(17) Violating R.S. 22:1674(F).

(18) Failure to complete assignment of adjustment of a claim in a thorough and timely manner, including submission of the adjustment of a claim to the party which made that assignment.

Section 2. R.S. 22:1662(13) is hereby repealed.

THE ADVOCATE

CODING: Words in square brackets are deletions from existing law; words underlined and boldfaced (House Bills) and underscored and boldfaced (Senate Bills) are additions.
To enact Part VI of Chapter 2 of Code Title VII of Code Book III Title 9 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 9:2991.1 through 2991.11, relative to the sale of mineral rights by mail solicitation; to define sale of mineral rights by mail solicitation; to require sales of mineral rights by mail solicitation to be in proper form; to provide for required disclosures; to provide for rescission of sales of mineral rights by mail solicitation; to provide for the mechanics and effects of rescission; to provide for prohibited terms; to provide terms, conditions, and requirements; and to provide for related matters.

Be enacted by the Legislature of Louisiana:

Section 1. Part VI of Chapter 2 of Code Title VII of Code Book III Title 9 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 9:2991.1 through 2991.11, is hereby enacted to read as follows:

PART VI. SALE OF MINERAL RIGHTS BY MAIL SOLICITATION
§2991.1 Title
This Part shall be known and may be cited as the "Sale of Mineral Rights by Mail Solicitation Act".

2016 Louisiana Comments
This Part, which is new, is designed to regulate certain transfers of mineral rights that place landowners and other persons with rights to minerals at risk of exploitation. As defined in Part VI of Chapter 2 of Code Title VII of Code Book III Title 9 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 9:2991.1 through 2991.11, a sale of mineral rights by mail solicitation is the creation or transfer of a mineral servitude or mineral royalty, or contract preparatory to such a transfer, that is initiated by an offer transmitted through the mail by the transferee and accompanied by a form of payment, such as a check or draft. An offer of this type may induce an owner to sell mineral rights without understanding the consequences of the transaction or at a price far below market value. Because the doctrine of laches does not apply to transfers of mineral rights, owners have relatively little protection under existing law. This Part therefore permits a transferor and a transferee to enter into a contract for three years after the date of signing the instrument evidencing the agreement. This Part also requires that any instrument evidencing a sale of mineral rights contracted in this manner contain a disclosure statement describing the right of rescission. The required disclosure is not included in the instrument, the transferee has the right to rescind the contract for three years after the date of signing the instrument. In such a case, the transferee is liable for attorney fees and court costs and may also be liable for additional damages at the discretion of the court.

§2991.2. Sale of mineral rights by mail solicitation defined
For purposes of this Part, a sale of mineral rights by mail solicitation is the creation or transfer of a mineral servitude or mineral royalty, or the granting of an option, right of first refusal, or contract to create or to transfer a mineral servitude or mineral royalty, that is pursuant to an offer that is received by the transferee through the mail or by common carrier and is accompanied by any form of payment. As used in this Part, the term "mineral rights" does not include a mineral lease.

2016 Louisiana Comments
(a) This Section narrowly defines the term "sale of mineral rights by mail solicitation" so as to affect only those transactions that are likely to place a landowner or other person with rights to minerals at risk of exploitation without understanding the consequences of the transaction or for a price far below market value. The risk of bargaining inequality is most significant when a transfer of mineral rights is initiated by an offer that is transmitted through the mail by the transferee and accompanied by a form of payment, such as a check or draft. In other circumstances, such as when the transferee makes an offer in person, or when a form of payment does not accompany a written offer, the risk of a hasty or misconceived acceptance is less pronounced.

(b) This Section specifically excludes a contract creating or transferring a mineral lease from the term "sale of mineral rights by mail solicitation." Unlike a sale or other transfer of mineral rights, a mineral lease does not completely divest the owner of an interest in the minerals. See, e.g., Wall v. Leger, 402 So. 2d 704, 709 (La. App. 1st Cir. 1981) ("The grantor of a mineral servitude ceases to be the owner of the mineral rights; the lessee of a mineral lease continues to be the owner of the mineral rights."). Moreover, the obligations imposed on mineral lessees by the Mineral Code provide significant protection against exploitation. See La. Rev. Stat. Ann. § 1:312. The importance of security of title to a mineral leaseholder who has expended or expended is expected to expend significant amounts of capital in developing the leased premises also justifies the exemption of mineral leases from the ambit of this legislation.

§2991.3. Exclusion of contracts initiated through personal contact
This Part does not apply to a sale of mineral rights by mail solicitation contracted subsequent to a personal contact that included a meaningful exchange between the transferor and the transferee.

2016 Louisiana Comments
This Part does not apply to a transfer of mineral rights that is contracted following personal contact that included a meaningful exchange between the transferor and the transferee, even if the transfer otherwise meets the definition of a "sale of mineral rights by mail solicitation" set forth in R.S. 9:2991.2. Contracts that are preceded by negotiations—whether in person, through the mail, or by wire or by electronic communication—do not involve the same potential for abuse associated with transfers initiated by unsolicited mail communications. The term "personal contact" does not require in-person negotiations or even significant negotiations between the parties or their representatives. However, it does require that a meaningful exchange take place between the transferor and transferee. Therefore, mass-mailings, automated telephone calls, and other communications that do not involve a meaningful exchange are not excluded under this Section.

§2991.4. Form
A sale of mineral rights by mail solicitation shall be made by authentic act or by act under private signature signed by the transferor. The acceptance of any form of payment by the transferee or any action whereby the transferee otherwise manifests assent to the sale shall not satisfy the requirement of the transferor's signature.

2016 Louisiana Comments
According to Louisiana jurisprudence, an act under private signature may be valid even when signed by one party alone, provided that the party signing the instrument makes some outward manifestation of acceptance beyond oral assent. See, e.g., Milliman v. Peterman, 519 So. 2d 238 (La. App. 5 Cir. 1988); see also La. Civ. Code art. 1837 cmt. (b) (1984) and the citations contained therein. In contrast, this Section requires that in a sale of mineral rights by mail solicitation the transferee must sign the instrument evidencing the agreement. The transferor's acceptance of any form of payment or performance of any action otherwise manifesting assent to the contract shall not suffice to satisfy the signature requirement.

§2991.5. Required disclosure; form notice of rescission
An instrument evidencing a sale of mineral rights by mail solicitation shall contain the first page, under the caption "The Seller's Right to Cancel," the following disclosure, or one substantially similar, in conspicuous and legible type that is not smaller than fourteen-point font and is in contrast by type or color that is not smaller than four points:

"This is a [sale] [contract requiring the sale] of your valuable mineral rights. If you sign and return this agreement, you may cancel it by mailing a notice to the buyer. You may use any written statement that includes your intention to cancel, or you may sign and return the notice provided below.

Your notice must be mailed, no later than 60 days after you signed the agreement, to the following: [insert name and mailing address of the transferee]. You must return all payments received from the buyer, and the buyer must return your mineral rights and any royalties and other payments received since the sale. You may lose important rights if you do not file your notice in the conveyance records of the parish where the property is located within 90 days after this agreement is filed in the conveyance records.

NOTICE OF CANCELLATION
[insert legal description of land]
which the property is located. The transferee must include in the notice of rescission the names of the transferor and the transferee and a legal property description of the land that is subject to the affected mineral rights.

§2991.6 Right to rescind; time for rescission
A. When an instrument evidencing a sale of mineral rights by mail solicitation contains the disclosure required by this Part, the transferee may rescind the agreement within a period of sixty days after the date on which the transferee signs it.
B. When an instrument evidencing a sale of mineral rights by mail solicitation does not contain the disclosure required by this Part, the transferee may rescind the agreement within a presumptive period of three years after the date on which the transferee signs it.
C. The timely rescission of a sale of mineral rights by mail solicitation is an option, right of first refusal, or contract to sell also rescinds any act of transfer subsequently executed pursuant to such contract.

2016 Louisiana Comments
The transferee in a sale of mineral rights by mail solicitation may rescind the contract for any reason within sixty days after the date on which the contract is signed. By virtue of this rule, all sales of mineral rights by mail solicitation are subject to a minimum “cooling-off” period of sixty days. When an instrument evidencing a sale of mineral rights by mail solicitation does not contain the disclosure statement required by this Part, the period within which the transferee may rescind the sale is extended to three years. When the sale of mineral rights by mail solicitation is an option, right of first refusal, or contract to sell, the transferee’s timely exercise of the right to rescind the preparatory contract also rescinds any subsequent act of transfer that is executed pursuant to the preparatory contract.

§2991.7 Rescission; method of making; effects as to third persons
A. If the instrument evidencing a sale of mineral rights by mail solicitation contains the disclosure statement required by this Part, a third person acquiring an interest in mineral rights from the transferee is subject to the effect of a notice of rescission filed within ninety days after the date of the filing of the instrument. In all other cases, rescission may not impair the rights of any third person who acquired an interest in the mineral rights prior to the time that the notice of rescission was filed for registry.
B. A notice of rescission is without effect as to third persons unless it contains the name of the transferor and the transferee.

2016 Louisiana Comments
(a) Between the parties, rescission takes place of right immediately upon transmission of the notice of rescission. Rescission does not have to be judicially demanded or declared, nor is rescission delayed until the transferor has restored the price paid to him. See R.S. 9:2991.9.
(b) Under this Section, when the instrument evidencing a sale of mineral rights by mail solicitation contains the required disclosure, a third person acquiring an interest in the mineral rights from the transferee does so subject to the right of the original transferor to rescind the agreement, provided that the notice of rescission is filed within ninety days after the date of the filing of the instrument. For all other cases, this Section states an exception to Louisiana Civil Code Article 3339, under which a termination of rights that depends upon the occurrence of a condition is generally effective as to third persons although not evidenced of record. Thus, when the instrument evidencing a sale of mineral rights by mail solicitation contains the required disclosure but a notice of rescission is not filed within ninety days after the date of the filing of the instrument, or when the instrument evidencing a sale of mineral rights by mail solicitation does not contain the required disclosure, third persons who acquire an interest in the mineral rights prior to the date of filing the notice of rescission are protected from the effects of rescission.
(c) This Section does not address the situation in which the transferee sells or grants a right in the mineral rights to another person who, under the law of corporate veil-piercing and other similar theories, is a mere alter ego of the original transferee. See, e.g., Warriner v. Russo, 308 So. 2d 499, 501 n.2 (La. App. 4th Cir. 1975).

§2991.8 Rescission; parties obligated to make payments
Rescission shall not be effective against a party obligated to make or in fact making royalty or other payments until sixty days after that party is furnished with a certified copy of the notice of rescission.

2016 Louisiana Comments
This Section protects mineral lessees and other parties who are either obligated to make or are in fact making royalty or other payments to an owner. The mere recorodination of a notice of rescission, in the absence of actual notice, to the party making such payments, does not obligate that party to begin making payments to a transferor who has rescinded a sale of mineral rights by mail solicitation.

§2991.9 Effects of rescission
A. A transferor who exercises the right to rescind under this Part shall return to the transferee within sixty days after rescission any payments made by the transferee and give full value in return to the transferee within sixty days after rescission any payments made by the transferee and give full value in return to the transferee within sixty days after rescission any payments made by the transferee. A transferee against whom the right to rescind is exercised under this Part shall pay to the transferor within sixty days after rescission any royalties and other payments received by the transferee plus interest on those royalties and other payments from the date received by the transferee.
B. When an instrument evidencing a sale of mineral rights by mail solicitation does not contain the disclosure required by this Part, a transferor against whom the right to rescind is exercised shall be liable for attorney fees and court costs. In such a case, in addition to restoring any royalties or other payments due to the transferor, a court may further award as damages an amount up to twice the sum of royalties and other payments due to the transferee.

2016 Louisiana Comments
(a) When the transferor exercises the right to rescind, the parties must be restored to the situation that existed before the contract was made. See La. Civ. Code art. 2033.
(b) Failure to include the required disclosure in the instrument evidencing a sale of mineral rights by mail solicitation subjects the transferor to liability for attorney fees and court costs. In addition to restoring any royalties or other payments due to the transferee, the transferor must pay the transferee interest on the amount due to the transferee. If the court has discretion, based on the nature of the transferee’s conduct, to award damages, in an amount up to double the amount of royalties or other payments received by the transferee. For example, if the amount of royalties due to the transferee is $1,000, the court may award up to an additional $2,000 as damages.

The following provisions, if included in or accompanying an instrument evidencing a sale of mineral rights by mail solicitation, are absolutely null:
(1) A provision requiring the agreement to be governed or interpreted by the laws of another jurisdiction or requiring a suit to be brought in a forum or jurisdiction outside of this state.
(2) A provision stipulating any venue to the extent inconsistent with the applicable provisions of the Code of Civil Procedure.
(3) A provision requiring the transferor to indemnify the transferee for any losses related to the sale of mineral rights.
(4) A provision authorizing the transferee to act as a mandatory of the transferor.
(5) A provision that excludes, limits, waives, or otherwise modifies the obligations of the transferee described in this Part.

Nothing in this Part shall be construed to limit any other remedies or grounds for rescission provided by law.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 14:87.3 is hereby enacted to read as follows:

§87.3. Prohibited sale, receipt, or transport of fetal organs and body parts.

A. No person may knowingly and for money, including but not limited to fees for storage or handling, any payments for reimbursement, repayments, or compensation, or any other consideration:

(b) Remove an unborn child who died of natural causes,

BY REPRESENTATIVE NANCY LANDRY

(On Recommendation of the Louisiana State Law Institute)

AN ACT

To enact R.S. 13:3494 and 3495, relative to child support actions; to provide for required notice; to provide for contents of the notice; to provide relative to the failure to provide notice; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 13:3494 and 3495 are hereby enacted to read as follows:

53494. Child support; notice required in child support actions
A. A notice in a child support action shall be signed by the clerk of the court or his deputy issuing it and shall contain all of the following:

1. The date of issuance.
2. The name of the person to whom it is addressed.
3. The date and location of the court issuing it.
4. Statements to the following effect:
   (a) That the person served is being sued for child support.
   (b) That the person served may be entitled to raise issues relating to child custody or visitation, or both.

B. The notice shall provide substantially as follows:

ATTENTION: YOU ARE BEING SUED FOR CHILD SUPPORT.

YOU MAY HAVE THE RIGHT TO RAISE ISSUES IN THIS PROCEEDING RELATING TO CUSTODY OR VISITATION WITH THE CHILDREN, ACCORDING TO LOUISIANA LAW (R.S. 9:315.25). THE COURT MAY HEAR AND DECIDE CHILD CUSTODY OR VISITATION ISSUES IN A CHILD SUPPORT PROCEEDING, PROVIDED THAT THE JUDGE AND ALL PARTIES AGREE TO HAVE THE ISSUE(S) HEARD. IF ALL DO NOT AGREE, YOU WILL HAVE TO FILE LEGAL PLEADINGS TO HAVE THE COURT DECIDE THE ISSUE(S) RELATING TO CHILD CUSTODY OR VISITATION. NOTE THAT YOUR DECISION TO RAISE THESE ISSUES MAY NOT BE USED TO DELAY THE CHILD SUPPORT PROCEEDINGS.

IF YOU DO NOT UNDERSTAND THIS NOTICE OR ARE UNSURE WHAT TO DO, YOU SHOULD SEEK LEGAL ADVICE FROM AN ATTORNEY OR AN ORGANIZATION THAT PROVIDES LEGAL SERVICES IN YOUR COMMUNITY.

Comment - 2016

This provision is new. It is intended to facilitate use of R.S. 9:315.25 by litigants in child support proceedings by increasing general knowledge of its existence. It is anticipated that increased use of R.S. 9:315.25 by litigants in child support proceedings will provide both custodial and non-custodial parents the option to obtain a child custody judgment in a child support proceeding without filing any additional proceedings and without the investment of further court or litigant resources. Clerks of court are encouraged, when issuing the above notice, to append to it any information regarding statewide and local pro bono or self-help providers, including local legal service providers, legal service hotlines, self-help centers and community legal clinics.

§3495. Failure to give notice: validity of judgment not affected

A failure to give the notice required pursuant to R.S. 13:3494 shall not invalidate a judgment of child support.

C. (1) Notwithstanding any other provision of law, it shall be unlawful for any person to intentionally perform or attempt to perform a dismemberment abortion and thereby kill an unborn child unless necessary to prevent serious health risk to the unborn child's mother.

(2) No woman upon whom an abortion is performed or attempted to be performed shall be thereby liable for performing or attempting to perform a dismemberment abortion. No nurse, technician, secretary, receptionist, or other employee or agent who is not a physician but who acts at the direction of a physician, and no pharmacist or other individual who is not a physician but who fills a prescription or provides instruments or materials used in an abortion at the direction of or to a physician shall be thereby liable for performing or attempting to perform a dismemberment abortion.

D. Whoever violates the provisions of this Section shall be fined not more than one thousand dollars per incidence or occurrence, or imprisoned for not more than two years, or both. In addition to whatever remedies are otherwise available under the laws of this state, failure to comply with the provisions of this Section shall provide all of the following:

(1) A basis for a cause of action for civil damages for injuries and wrongful death as more fully set forth in Civil Code Articles 2315.1 and 2315.2, whether or not the unborn child was viable at the time the abortion was performed, or was born alive, except that such causes of action shall be maintained only by the following persons:

(a) The natural or biological father of the aborted infant or fetus, unless such father's criminal conduct caused the pregnancy.

(b) The mother of the aborted infant or fetus, subject to the provisions of Subsection F of this Section.

(c) The parents or guardian on behalf of the mother of the aborted infant or fetus if the mother was a minor at the time of the abortion, unless the parents or guardian consented to the dismemberment abortion.

(2) A basis for professional disciplinary action under R.S. 40:1061 et seq.

E. (1) A physician charged with an offense pursuant to this Section may seek before the Louisiana State Board of Medical Examiners on whether the physician's conduct was necessary to save the life of the mother whose life was endangered by a physical disorder, physical illness, or physical injury, including a life-endangering physical condition caused by or arising from the pregnancy itself.

(2) The findings concerning the issue provided for in Paragraph (1) of this Subsection are admissible on that issue at the trial of the physician. Upon motion of the physician, the court shall delay the beginning of the trial for not more than thirty days to permit such hearing to take place; however, this delay may be extended for good cause.

F. When requested, the court shall allow a woman to proceed using solely her initials or a pseudonym and may close any proceedings in the case and enter other protective orders to preserve the privacy of the woman upon whom the abortion was performed.

G. Any person who is not a physician or not otherwise legally authorized by the state to perform abortions, but who nevertheless directly performs a dismemberment abortion, shall be subject to the provisions of this Section.

H. Nothing in this Section shall be construed as creating or recognizing a right to abortion, or a right to a particular method of abortion.

Section 2. If any one or more provisions, sections, subsections, sentences, clauses, phrases, or words of this Act or the application thereof to any person or circumstance is found to be unconstitutional, the same is hereby declared to be severable in accordance with R.S. 24:175 and the balance of this Act shall remain effective notwithstanding such unconstitutionality. The legislature hereby declares that it would have passed this Act, and each provision, section, subsection, sentence, clause, phrase, or word thereof, irrespective of the fact that any one or more provisions, sections, subsections, sentences, clauses, phrases, or words or words declared unconstitutional.
